THE N-ZOs
ENJOY THE
BENEFITS OF
INNOVATIONS
INCORPORATED
INTO THE HULL
AND DECK
DESIGN.

pleasure

pleasure

The N-ZOs are pleasure boats to be enjoyed with others. Particular attention has been paid to the comfort of passengers, both when boating and when moored. **Three innovative features have been included in the deck design:**

- Efficient use has been made of the on board space. The deck layout has been designed to facilitate safe moving on-board. A new console, called an **“Air Console” (N-ZO 600/ N-ZO 680)**, has made it possible

to minimize floor space used and increase the boat’s interior space. The **console of the N-ZO 760** makes steering the boat particularly easy, and also provides practical interior space that can accommodate a WC.

- Entertainment areas have been enhanced. All N-ZO models have a **spacious aft saloon** that can seat a number of people and offers direct access to the aft bathing platform.

- The modular design of the boats has not been overlooked. The N-ZO is equipped with a new **“Reverse & Sun”** bow sunbathing system that allows an extensive sundeck to be created in a matter of seconds by simply unfolding the structure.

The N-ZO range comprises boats that are **aesthetically pleasing, seaworthy, spacious, and safe.**

design

Following the success of the N-ZO 700 Cabin in 2009, Zodiac® has once again drawn on the talent of renowned Italian designer, Vittorio Garroni, to design these boats with **exclusive lines**. These new boats have been produced in accordance with technical specifications that meet the most frequently demanded requirements of recreational boaters. Zodiac® has endeavoured to design boats that are both safe and comfortable. The new N-Zo range enjoys the benefits of many Zodiac® innovations.

safety

The safety provided by a semi-rigid boat is unmatched. The N-ZO range benefits from the experience of Zodiac® in the **hull design** and utilizes **two innovative features**:

- **New technology used on the Zodiac® shell**, equipped with a **V-hull**, offers unmatched sea keeping and handling.
- The generous height of the freeboards, due to the size of the buoyancy tube and the structure

of the hull, turn the cabin into a **“cocoon”** for passengers.

safety

N-ZO 700 CABIN

NEW

The new N-ZO 700 Cabin incorporates all the qualities for which the range is well-known for: harmony of design, quality of finish, ease of use, versatility, and exceptional sea-keeping qualities.

The new design of the buoyancy tubes, the cabin, and the upholstery gives the boat an elegant appeal that consist with the other models in the range: the N-ZO 600, N-ZO 680 and N-ZO 760.

The new Silvertex fabric upholstery provides exceptional seating comfort and is easy to clean. The N-ZO 700 Cabin is the result of an approach based on innovation, combined with a purity of line, and is designed by one of the most prestigious Italian designers: Vittorio Garroni.

Offering a combination of comfort, looks, and ease of use, the N-ZO 700 Cabin's versatility will allow you to experience all boating activities (skiing, diving, exploration, and cruises). The wide 5-seater cabin can sleep 2 and includes a toilet cubicle. The ergonomics of the deck allow for ease of movement on board. The forward sun deck provides a luxurious lounging surface.

The U-shaped aft saloon provides comfort and ease of use thanks to its numerous seats, collapsible table, and sun deck. A kitchenette with sink, refrigerator, and hotplate (optional) provides you with all you need on a cruise.

AFT SALOON

"REVERSE AND SUN"
SUNBATHING SYSTEM

NEW

N-ZO 760

Fitted with the latest Zodiac® innovations, the N-ZO 760 offers entertainment areas on both the fore and aft of the boat. Effortlessly, a table or a Reverse & Sun forward sundeck* can be installed.

To make life on board as enjoyable as possible, the N-ZO 760 offers added comfort. A kitchenette incorporated in the leaning post includes a sink*, hotplate* and refrigerator* that allow you to prepare meals on board. A space inside the console can accommodate a chemical toilet for additional comfort.

The fuel tank (300 litres) and fresh water tank (80 litres) provide sufficient capacity for a day's cruise.

N-ZO 600

NEW HULL

N-ZO ADVANTAGES

- Optimal comfort when boating
- Exclusive design
- Optimized space on board
- Ergonomic design for ease of movement on board
- Raised console
- Spacious aft saloon
- Rapid and practical sundeck installation system

equipment

N-ZO 700 CABIN

HULL

- Deep V-shaped polyester hull
- Moulded anti-slip deck
- Fuel tank (300 litres)
- Water/fuel separator
- Self-draining cockpit when empty
- 2 automatic bilge pumps
- Water evacuation plug
- Anchor locker
- Electric windlass
+ complete mooring facilities
- 1 bow ring
- 2 tow rings
- 2 (bow) cleats that can be built in
- 2 fixed (stern) cleats
- Wiring harness
- Navigation lights
- Fire extinguisher holder

TUBE

- Removable tube (2 half-tubes)
- Hypalon™-Neoprene™
1670 decitex fabric
- Recessed valves
- 2 handrails
- Ultra-wide deflecting rubbing
strake

DECK

- Upholstered back rests for aft
saloon and leaning post
- Convertible picnic table/
upholstered aft saloon sundeck
- Upholstered bow sunbathing kit
- Bowrail
- U-shaped aft saloon
- LED deck lighting
- Leaning post including sink unit
with tap and electric pump,
designed to take a refrigerator/
stove
- Port stern boarding gate
- Telescopic and foldable bathing
ladder

- Outdoor shower kit with
freshwater tank (77L)

CABIN

- Upholstered cabin (seating and
back rests)/ Room to seat 4/5
people
- Internal moulding (for ease of
maintenance)
- Sliding door (lockable)
- 3 storage lockers under seats
+ equipment
- WC + sink water tank 43L
- 2 side portholes
+ 1 deck hatch
- Interior lighting (4 spotlights)
- Mirror
- Cabin wooden steps

STEERING CONSOLE

- Wraparound windscreen
- Handrail
- Hydraulic steering
- Steering wheel

STANDARD EQUIPMENT

- Foot pump
- Pressure gauge
- Repair kit
- Owner's manual

OPTIONAL ACCESSORIES

- King size bed that sleeps
two/ Cabin table
- Synthetic teak floor
- Ski mast
- Refrigerator
- Hotplate
- Bimini top
- Stereo system
- Protective awnings (console,
bolster & aft saloon)

Indicated measurements may vary by +/- 3%, or +/- 5% for weight and speed measurements. (1) Maximum permitted load is calculated using ISO standards. Caution is advised when operating fully laden boats. (2) Recommended power is based on optimal use of the boat's abilities under average load. Depending on use, choose either maximum (water skiing) or minimum power (fishing, cruising). (3) The manufacturer's plaque specifies maximum permitted power. The power of your boat must not exceed this under any circumstances. (4) Maximum permitted weight: dry weight, according to motor manufacturers' catalogue specifications. (5) Maximum speeds are intended as a guide only; they were measured in ideal conditions by professional pilots with one person aboard. They may vary according to make of motor, boat load, propeller type and water conditions. (6) Models in this catalogue are sometimes shown with optional accessories. Please check standard equipment supplied with each model. See your Zodiac® agent for more information. Zodiac® continually strives to improve its products and as such reserves the right to modify or delete any model presented in this catalogue without prior notice. The boats photographed in this catalogue may differ from the actual models. Zodiac® recommends that a life jacket is worn at all times; it is your own responsibility to check the legal obligations on your navigation zone.

* 5 year warranty on tube fabric and 2 year warranty on hull and tube assembling. Some warranty extensions are available depending on product and geographical areas. For more information please contact your local dealer or visit zodiacmarine.com.
